

FINANCIAL EXPECTATIONS FOR VOLLEYBALL

One of the most important off-the-court elements of a high school athletic team is fundraising. The school district can only help us so much to achieve our goals. Fundraising is sorely needed to help pay for assistant coaches, team apparel, team equipment, quality volleyballs and training equipment, video and stat programs, summer camps, website hosting, and the program's Awards' Banquet.

We strive to create a unique high school athletic experience for the volleyball players— We believe that this experience should be within the means for all families and contributions should not be out-of-pocket (with the exception of the Arizona Tax Credit and 'Pay to Play' fees). In order to avoid our volleyball families from "writing a check" once the player makes the team, we have the following expectations:

Varsity Players

- **COOKIE DOUGH FUNDRAISER:** The Varsity team will be expected to sell Cookie Dough.
- **CONCESSIONS:** Each Varsity family is required to volunteer in the Snack Bar for at least 2 Junior Varsity or Freshman matches.
- **ARIZONA TAX CREDIT:** Each family is responsible for a \$400 Arizona Tax Credit donation to help off-set the volleyball program expenses. This is a dollar-for-dollar credit off State of Arizona Tax Liabilities—meaning it's tax money that can be diverted to our program. If a family that cannot personally manage the Tax Credit, the equivalent (relative, neighbor, etc) would be acceptable.
- **COYOTES SENIORS: NEW THIS YEAR!** Each Senior Member of the team will be required to secure at least one Gold Level Sponsorship (or equivalent) in order to have their "Senior Banner" hanging in the gym.
- **VOLLEYBALL SPONSORSHIP:** All Varsity families are expected to secure at least one Volleyball Sponsorship to help defer the expenses of the program.

Junior Varsity & Frosh Players

- **COOKIE DOUGH FUNDRAISER:** The Junior Varsity & Frosh team will be expected to sell Cookie Dough.
- **CONCESSIONS:** Each Junior Varsity or Frosh family is required to volunteer in the Snack Bar for at least 2 Varsity or Freshman matches.
- **ARIZONA TAX CREDIT:** All families are invited to participate in the Arizona Tax Credit donation. This program is a dollar-for-dollar credit off the State of Arizona Tax Liabilities—meaning it's tax money that can be diverted to our program.

Off-Season Expectations

While nothing has been established yet, the future of the program will depend on summer fundraising including participation in youth clinics and potential off-season tournaments. All players will be expected to participate once they become part of our program. More information will be forthcoming.
